SECTION 1

Summary of Benefits
January 1, 2016 - December 31, 2016

This booklet gives you a summary of what we cover and what you pay. It doesn't list every service that we cover or list every limitation or exclusion. To get a complete list of services we cover, call us and ask for the "Evidence of Coverage."

You have choices about how to get your Medicare prescription drug benefits

- One choice is to get prescription drug coverage through a Medicare Prescription Drug Plan, like **Humana Enhanced (PDP)**.
- Another choice is to get your prescription drug coverage through a Medicare Advantage Plan (like an HMO or PPO) or another Medicare health plan that offers Medicare prescription drug coverage. You get all of your Part A and Part B coverage, and prescription drug coverage (Part D), through these plans.

Tips for comparing your Medicare choices

This Summary of Benefits booklet gives you a summary of what **Humana Enhanced (PDP)** covers and what you pay.

- If you want to compare our plan with other Medicare health plans, ask the other plans for their Summary of Benefits booklets. Or, use the Medicare Plan Finder on http://www.medicare.gov.
- If you want to know more about the coverage and costs of Original Medicare, look in your current **"Medicare & You"** handbook. View it online at http://www.medicare.gov or get a copy by calling **1-800-MEDICARE** (**1-800-633-4227**), 24 hours a day, 7 days a week. TTY users should call **1-877-486-2048**.

Who can join?

To join **Humana Enhanced (PDP)** , you must be entitled to Medicare Part A, and/or be enrolled in Medicare Part B, and live in our service area.
Our service area includes the following: Idaho, Utah.

Which drugs are covered?

You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website (**http://www.humana-medicare.com**). Or, call us and we will send you a copy of the formulary.

How will I determine my drug costs?

Our plan groups each medication into one of five "tiers." You will need to use your formulary to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug's tier and what stage of the benefit you have reached. Later in this document we discuss the benefit stages that occur: Initial Coverage, Coverage Gap, and Catastrophic Coverage.

Which pharmacies can I use?

We have a network of pharmacies and you must generally use these pharmacies to fill your prescriptions for covered Part D drugs.
Some of our network pharmacies have preferred cost-sharing. You may pay less if you use these pharmacies .
You can see our plan's pharmacy directory at our website (**http://www.humana.com/Medicare/medicare_prescription_drugs**). Or, call us and we will send you a copy of the pharmacy directory .

The coverage gap begins after the total yearly drug cost (including what our plan has paid and what you have paid) reaches **$3,310**. After you enter the coverage gap, you pay **45%** of the plan's cost for covered brand name drugs and **58%** of the plan's cost for covered generic drugs until your costs total **$4,850**, which is the end of the coverage gap. Not everyone will enter the coverage gap.Under this plan, you may pay even less for the brand and generic drugs on the formulary. Your cost varies by tier. You will need to use your formulary to locate your drug's tier. See the chart that follows to find out how much it will cost you
