Section 1 – Introduction

This directory provides a list of Delta Dental Idaho Advantage network providers. To get detailed information about your healthcare and dental coverage, please see your *Evidence of Coverage*.

The “network providers” listed in this directory have agreed to provide you with your dental coverage. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to continue going to that same provider.

You are not required to obtain a referral to receive services that are covered by our plan. A network dental provider can submit a treatment plan to pre-determine your benefits prior to treatment.

Billing Information

Providers bill Delta Dental Idaho Advantage directly for your care. We then pay the provider for you, minus the copayment or coinsurance. If you receive a bill directly from a provider, please mail the bill to the following address:

Delta Dental of Idaho
PO Box 2870
Boise ID 83701

Emergency Coverage

It’s important to know you are covered and where to go when you need care. For emergency care, you may receive covered services from out-of-network providers. Delta Dental Idaho Advantage will reimburse you up to \$50 if you have paid an out-of-network dental provider for procedures defined by Delta Dental as “emergency relief of pain.” Proof of payment is required. For all other services, you must receive care and treatment from an in-network dental provider. Our plan does NOT cover urgently needed care or any other non-emergency care if you receive the care outside of the United States.

What is the service area for SelectHealth?
