Section 1 – Introduction

This directory provides a list of SelectHealth Advantage’s network providers. To get detailed information about your healthcare coverage, please see your *Evidence of Coverage*.

You will have to choose one of our network providers who is listed in this directory to be your **Primary Care Physician (PCP)**. The term “PCP” will be used throughout this directory. Generally, you must get your healthcare coverage from your PCP. Your PCP is the healthcare provider that you see to receive the care that you need to keep you healthy. He or she is usually the physician that you see most frequently and will diagnose and treat most common medical problems. Your PCP will help you coordinate all of your medical care and will communicate with specialist physicians and other healthcare providers to address your medical needs. As an in-network provider, your PCP will request prior authorization when required.

Your PCP may be any of the following provider types:

- Family Medicine
- Internal Medicine
- Geriatrician

The “network providers” listed in this directory have agreed to provide you with your healthcare and vision services. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to continue going to that same provider.

Beginning January 1, 2016, **all healthcare services rendered by out-of-network providers will not be covered except for emergencies or services specifically authorized by SelectHealth** (see the “Emergency Coverage” section below).

SelectHealth Advantage does not require members to obtain a referral to receive services that are covered by our plan. If you visit a network provider, the provider will contact us to get prior authorization.

Billing Information

Providers generally bill SelectHealth Advantage directly for your care. We then pay the provider for you, minus the copayment or coinsurance. If you receive a bill directly from a provider, please mail the bill to the following address:

SelectHealth Advantage
P.O. Box 30196
Salt Lake City, 84130-0196

Emergency Coverage

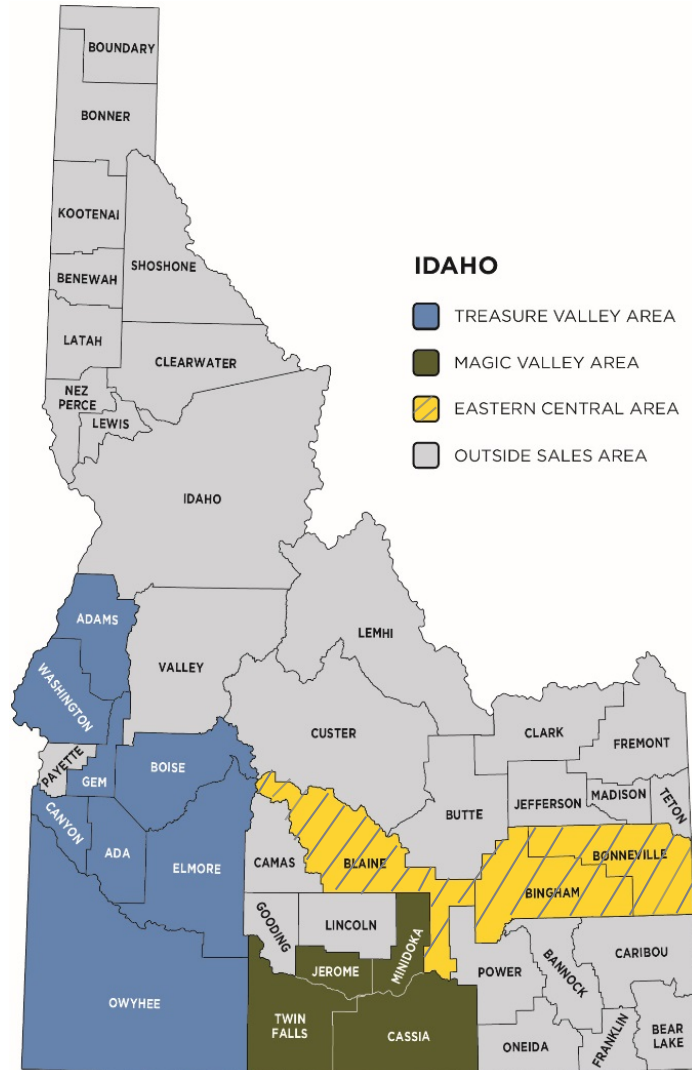

It's important to know you are covered and where to go when you need medical care. Our plan covers all emergency care and emergency hospital admissions no matter where you go. You also get benefits for urgent care and renal dialysis throughout the United States, and access to participating retail pharmacies and lab facilities nationwide. Care provided by out-of-network providers that is not an urgent or emergency situation is **not** covered. Also, our plan does not cover urgently needed care or any other non-emergency care if you receive the care outside of the United States.

SelectHealth is an HMO plan sponsor with a Medicare contract. Enrollment in SelectHealth Advantage depends on contract renewal.

Introduction

This booklet provides a list of SelectHealth Advantage's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the *Evidence of Coverage* and SelectHealth Advantage's formulary.

When this pharmacy directory refers to “we,” “us”, or “our,” it means SelectHealth. When it refers to “plan” or “our plan,” it means SelectHealth Advantage.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under SelectHealth Advantage only if they are filled at a network pharmacy, or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription, but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your *Evidence of Coverage*.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. **This list is current as of November 16, 2015.** For the most current list, please contact us. Our contact information appears on the front and back cover pages.

Changes to our pharmacy network may occur during the benefit year. An updated *Provider and Pharmacy Directory* is located on our website at **selecthealthadvantage.org**. You may also call Member Services for updated provider information.

You can get prescription drugs shipped to your home through our network mail order delivery service, which is called “Intermountain Home Delivery Pharmacy.” For more information, please contact us or see the mail order section of this pharmacy directory.

If you have questions about any of the above, including for instructions on how to submit claims for prescriptions that you had to fill at a non-network pharmacy, please see the first and last cover pages of this directory for information on how to contact us.

SelectHealth Advantage's Network Pharmacies

Starting on the next page, you will find a list of SelectHealth Advantage in-network pharmacies. This directory is organized by type of pharmacy. Chain pharmacies are not separated out, but rather listed with retail and independent pharmacies. Pharmacies are organized by county and city in alphabetical order by pharmacy name. If you do not see your pharmacy here, contact Member Services as indicated above. They will help you find the most convenient in-network pharmacy.

Mail Order Pharmacy

Intermountain Home Delivery Pharmacy

7268 So. Bingham Junction Blvd., Suite B1

Midvale, Utah 84047

855-779-3960

You can get prescription drugs shipped to your home through our network mail order delivery program. To refill your mail order prescriptions, please contact us at least 7 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. Typically you should expect to receive your prescription drugs within 7 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at **855-442-9900**. TTY users should call 800-377-3529, or 711. You may also contact the mail order pharmacy at the number listed above.
